Seng 513 Assignment#3 - Chat Application

Shawna McKay
UCID: 30051244

Github repository:
https://github.com/shawnamckay/chat

To run:
1. Navigate to the project folder
2. npm install
3. node bin/www
4. If any failures, you may have to install some dependencies independently
5. Navigate to localhost:3000 in your browser

Tested on Firefox, Chrome and Opera.
